**TO: THE OFFICE OF THE UNITED STATES TRUSTEE; ALL CREDITORS, INTEREST
HOLDERS, AND PARTIES IN INTEREST:**

PLEASE TAKE NOTICE that the Bankruptcy Court has set a deadline of 60 days from the date of service of this Notice (**August 1, 2006**) for creditors of and holders of ownership interests in the above-referenced debtor to file proofs of claim against or proofs of interest in the debtor’s estate.

The exceptions to this deadline for filing proofs of claim or interest are: (1) claims arising from rejection of executory contracts or unexpired leases; (2) claims of governmental units; and (3) claims arising as the result of transfer avoidance pursuant to Chapter 5 of the Bankruptcy Code.

For claims arising from rejection of executory contracts or unexpired leases pursuant to 11 U.S.C. § 365, the last day to file a proof of claim is (a) 30 days after the date of entry of the order authorizing the rejection, or (b) August 1, 2006, whichever is later.

For claims of “governmental units,” as that term is defined in 11 U.S.C. § 101(27), proofs of claim are timely filed if filed: (a) before 180 days after the date of the Order for Relief in this case, or (b) by August 1, 2006, whichever is later. 11 U.S.C. § 502(b)(9).

INSTRUCTIONS FOR PROOF OF CLAIM FORM

The instructions and definitions below are general explanations of the law. In particular types of cases or circumstances, such as bankruptcy cases that are not filed voluntarily by a debtor, there may be exceptions to these general rules.

DEFINITIONS

Debtor

The person, corporation, or other entity that has filed a bankruptcy case is called the debtor.

Creditor

A creditor is any person, corporation, or other entity to whom the debtor owed a debt on the date that the bankruptcy case was filed.

Proof of Claim

A form telling the bankruptcy court how much the debtor owed a creditor at the time the bankruptcy case was filed (the amount of the creditor's claim). This form must be filed with the clerk of the bankruptcy court where the bankruptcy case was filed.

Secured Claim

A claim is a secured claim to the extent that the creditor has a lien on property of the debtor (collateral) that gives the creditor the right to be paid from that property before creditors who do not have liens on the property.

Examples of liens are a mortgage on real estate and a security interest in a car, truck, boat, television set, or other item of property. A lien may have been obtained through a court proceeding before the bankruptcy case began; in some states a court judgment is a lien. In addition, to the extent a creditor also owes money to the debtor (has a right of setoff), the creditor's claim may be a secured claim. (See also *Unsecured Claim*.)

Unsecured Claim

If a claim is not a secured claim, it is an unsecured claim. A claim may be partly secured and partly unsecured if the property on which a creditor has a lien is not worth enough to pay the creditor in full.

Unsecured Priority Claim

Certain types of unsecured claims are given priority, so they are to be paid in bankruptcy cases before most other unsecured claims (if there is sufficient money or property available to pay these claims). The most common types of priority claims are listed on the proof of claim form. Unsecured claims that are not specifically given priority status by the bankruptcy laws are classified as *Unsecured Nonpriority Claims*.

Items to be completed in Proof of Claim form (if not already filled in)

Court, Name of Debtor, and Case Number:

Fill in the name of the federal judicial district where the bankruptcy case was filed (for example, Central District of California), the name of the debtor in the bankruptcy case number. If you received a notice of the case from the court, all of this information is near the top of the notice.

Information about Creditor:

Complete the section giving the name, address, and telephone number of the creditor to whom the debtor owes money or property, and the debtor's account number, if any. If anyone else has already filed a proof of claim relating to this debt, if you never received notices from the bankruptcy court about this case, if your address differs from that to which the court sent notice, or if this proof of claim replaces or changes a proof of claim that was already filed, check the appropriate box on the form.

1. Basis for Claim:

Check the type of debt for which the proof of claim is being filed. If the type of debt is not listed, check "Other" and briefly describe the type of debt. If you were an employee of the debtor, fill in the last four digits of your social security number and the dates of work for when you were not paid.

2. Date Debt Incurred:

Fill in the date when the debt first was owed by the debtor.

3. Court Judgments:

If you have a court judgment for this debt, state the date the court entered the judgment.

4. Total Amount of Claim at Time Case Filed:

Fill in the total amount of the entire claim. If interest or other charges in addition to the principal amount of the claim are included, check the appropriate place on the form and attach an itemization of the interest and charges.

5. Secured Claim:

Check the appropriate place if the claim is a secured claim. You must state the type and value of property that is collateral for the claim, attach copies of the documentation of your lien, and state the amount past due on the claims as of the date the bankruptcy case was filed. A claim may be partly secured and partly unsecured. (See DEFINITIONS, above)

6. Unsecured Non-Priority Claim:

Check the appropriate place if you have an unsecured non-priority claim, sometimes referred to as a "general unsecured claim." (See DEFINITIONS, above) If your claim is partly secured and partly unsecured, state here the amount **not** entitled to priority.

7. Unsecured Priority Claim:

Check the appropriate place if you have an unsecured priority claim, and state the amount entitled to priority. (See DEFINITIONS, above) A claim may be partly priority and partly nonpriority if, for example, the claim is for more than the amount given priority by the law. Check the appropriate place to specify the type of priority claim.

8. Credits:

By signing this proof of claim, you are stating under oath that in calculating the amount of your claim you have given the debtor credit for all payments received from the debtor.

9. Supporting Documents:

You must attach to this proof of claim form copies of documents that show the debtor owes the debt claimed or, if the documents are too lengthy, a summary of those documents. If documents are not available, you must attach an explanation of why they are not available.
